

F250

THE FAT BIKE THAT
BEATS THEM ALL

THE F250: YOUR RIDE, RECHARGED

Like you, we like to do things a little differently.

See change as a chance, to build on what we love.

So ditch the dull commute. Own your ride.

Yes, the F250 has great specs - we'll get to those later. Right now, know this: zipping around town shouldn't be a chore. It should be an exciting extension of you.

Look good. Feel good. Ride happily. Every ride.

This is the Brekr F250

HIGH TECH DRIVETRAIN FOR AN EFFORTLESS RIDE

Hub engine

The motor shifts gears automatically for a smooth and worry-free ride

Carbon belt drive

Makes life easier: strong, clean, silent and low maintenance.

Torque sensor

Power on demand for smooth acceleration and effortless cruising.

FIND YOUR PERFECT FIT
