

## THULE CHARIOT SPORT 2 SINGLE 10201030 | 10201032

### Thule Chariot Sport 2 single

Made to make training safe, easy and fun, Thule Chariot Sport 2 lets you experience easy transitions between cycling, strolling, and running. A quick, one-handed 180-degree wheel rotation turns the bike trailer into a stroller in seconds.

- 4 activities – designed to excel when you bike, jog, stroll, and ski (Jogging and Ski Kits sold separately). The included rain cover and sun canopy keep your child dry and shields them from the sun
- Integrated LED light for better visibility in all conditions and a more stylish design
- Hand activated disc brakes for increased control on steeper terrain and while running
- Convenient one-hand recline and fully padded seat for on the go naps
- The redesigned FlipWing-system allows for even easier switching between biking and strolling and back, now with the possibility to flip the wheels up and down while the trailer is attached to the bike
- The new hitch arm allows the user to easily and securely attach and detach the trailer to the bike using only one hand
- Adjustable suspension to allow you to customise the comfort of the ride as your child grows or if you transport heavier items in the trailer
- Large cargo basket with zipper for more secure storage of items, that can be stored away for increased kick stride while jogging
- Compact, easy to operate folding mechanism makes it easier than ever to bring the carrier with you
- Climate controlled interior with removable windows and multi-adjustable sun visor. Vents ensure optimal airflow and climate control, removable clamps provide more ventilation when using a rain cover
- Thule Click n' Store makes for convenient on-board storage of strolling, jogging, and cycling kit while in different activity mode
- Comfortable padded seats are removable and easy to clean

## THULE CHARIOT SPORT 2 DOUBLE 10201031 | 10201033

### Thule Chariot Sport 2 Double

Made to make training safe, easy and fun, Thule Chariot Sport 2 double lets you experience easy transitions between cycling, strolling, and running. A quick, one-handed 180-degree wheel rotation turns the bike trailer into a stroller in seconds.

- 4 activities – designed to excel when you bike, jog, stroll, and ski (Jogging and Ski Kits sold separately). The included rain cover and sun canopy keep your child dry and shields them from the sun
- Integrated LED light for better visibility in all conditions and a more stylish design
- Hand activated disc brakes for increased control on steeper terrain and while running
- The modular seating ability means that you can choose to have one kid sitting in the middle, or two kids on either side of the trailer. Convenient one-hand recline and fully padded seats for on the go naps
- The redesigned FlipWing-system allows for even easier switching between biking and strolling and back, now with the possibility to flip the wheels up and down while the trailer is attached to the bike
- The new hitch arm allows the user to easily and securely attach and detach the trailer to the bike using only one hand
- Adjustable suspension to allow you to customise the comfort of the ride as your child grows or if you transport heavier items in the trailer
- Large cargo basket with zipper for more secure storage of items, that can be stored away for increased kick stride while jogging
- Compact, easy to operate folding mechanism makes it easier than ever to bring the carrier with you
- Climate controlled interior with removable windows and multi-adjustable sun visor. Vents ensure optimal airflow and climate control, removable clamps provide more ventilation when using a rain cover
- Thule Click n' Store makes for convenient on-board storage of strolling, jogging, and cycling kit while in different activity mode
- Comfortable padded seats are removable and easy to clean
