

## Thule EasyFold 3 (3-bike) 9451

Thule EasyFold 3 is a flexible bike carrier that accommodates a wide range of bike styles, including e-bikes.

1. Fits bike frames from 20mm to 90mm, ensuring a wide range of bikes can be transported securely
2. Click-in/click-out bike arm for easy loading, reducing setup time and hassle
3. Bring more bikes with the addition of an easy-to-use bike add-on
4. Fully foldable for compact storage, even in small spaces
5. Sleek, modern design with integrated lighting matches any vehicle style
6. New wheel tray design with integrated lighting enhances visibility and safety
7. With bikes mounted, the trunk is accessible with a smart foot pedal tilt
8. Easy and quick mounting and adjustment of the bike carrier to the towbar before closing tightening handle thanks to self-stabilizing coupling
9. Ergonomic transport of the bike rack thanks to the integrated transport wheels and carrying handle
10. Foldable +1 bike adapter simplifies storage solutions without sacrificing capacity
11. Pivoting head with padding safeguards your bike during transport
12. Steel-reinforced strap ensures a secure fit for a wide range of bike frames.
