# ICON Front

Following in your pedal strokes, the Prodigee Icon Rear seat is available in an array of modern colours to suit all bikes and e-bikes. With safety first, the Icon Rear is designed to the latest EU Standard issued in 2022 for wrap-around head protection, not found on many child seats on the market today.

Latest safety standard:  
EN14344:2022

Adjustable footrests,  
detachable legs

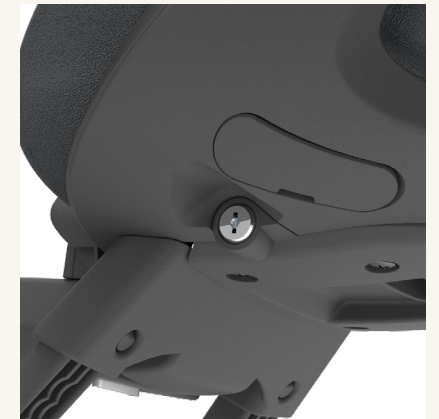

Quick-release mount with lock

Featuring shock-absorbing, water-resistant, EVA foam-padding, the Icon Rear is made for long-distance comfort, either in the city or cycling out of town. Along with an adjustable 5-point harness and secure and adjustable footrests, the Prodigee Icon Rear ensures a secure and comfortable fit for your child as they grow, wherever the roads take you both.

Easy to install and adjust to any rear rack or directly to the frame, the seat features a child-safe safety buckle that makes securing your child quick and effortless, with a quick-release bracket for easy mounting or removal when not in use.

Designed and tested to be used once a child can sit independently, the Icon Rear is ideal for children up to 6 years old with a maximum weight of 22kg—a stylish choice for any parent looking for safety without compromise.
